

FOR IMMEDIATE RELEASE:

BTL Supports e-Assessment Workshops at the AAT Annual Conference

Shipley, United Kingdom, April 2010

BTL Group Ltd is once again delighted to support the AAT's (Association of Accounting Technicians) annual conference. The conference will be held at the Radisson SAS Hotel, London Stansted Airport, 22nd – 23rd April 2010.

The e-Assessment workshops are aimed at test centres who are interested in offering the AAT's e-Assessment based qualifications to their candidates. The workshops will show the delegates the ease of the administration process, from a centre's point of view, as well providing a taste of the actual e-Assessment content. During the workshop, the AAT will also be showcasing some of the latest innovative accounting questions created using BTL's Surpass e-Assessment solution.

Jeremy Carter, Head of Sales & Marketing at BTL, says, "We hope the e-Assessment workshops will inspire any AAT centre currently not engaged in e-Assessment to see the benefits for the candidates as well as the centre themselves. The AAT on-screen exams, created by BTL, are now the most innovative accounting exams currently available."

Due to the popularity of these workshops at last year's event, delegates are invited to sign up to the workshops prior to the conference in order to avoid disappointment.

For further information about the conference, please visit www.aat.org.uk.

About BTL

BTL is a leading UK owned e-Assessment development and delivery company. With over 1 million certified exams powered by BTL, our content development and delivery tools are helping some of the UK's largest agencies face the challenge of on-screen delivery.

Since 1985, we have been successfully helping our customers exceed their assessment and learning expectations.
