

FOR IMMEDIATE RELEASE:

# BTL Supports Assessment Tomorrow's Far Eastern e-Assessment Seminars

**Shipleigh, United Kingdom, September 2009**

BTL Group Ltd will be speaking and exhibiting at the next series of Assessment Tomorrow seminars being held in Bangkok and Kuala Lumpur on the 24th and 30th September 2009.

Delegates at the events are invited to learn about how the use of IT to measure skills, knowledge and understanding can support learning and skills development, as well providing a robust and reliable method for measuring and developing the talent pool.

The objective of each of the events is to explore:

- How e-Assessment works
- The benefits and costs
- How e-Assessment is used worldwide
- The technology available
- Best practice and leverage of the technology to develop skills and capabilities amongst teaching staff and learners
- Impact on learners

BTL will be represented by Andy McAnulla, Technical Solutions Manager, who will be on hand to answer any questions and showcase the UK Awarding Body system of choice; BTL Surpass.

If any organisation wishes to pre-book an appointment with Andy then they may contact us at [sales@btl.com](mailto:sales@btl.com)  
To find out more about these events, please visit [www.assessmenttomorrow.com](http://www.assessmenttomorrow.com)

## About BTL

BTL is a leading UK owned e-Assessment development and delivery company. With over 1 million certified exams powered by BTL, our content development and delivery tools are helping some of the UK's largest agencies face the challenge of on-screen delivery.

Since 1985, we have been successfully helping our customers exceed their assessment and learning expectations.

For further information about BTL and its product offerings visit [www.btl.com](http://www.btl.com).
