

FOR IMMEDIATE RELEASE:

BTL reinforces its commitment to PRINCE2 - raising the standard of project management

Shipley, United Kingdom, January 2008

BTL, a leading UK Learning and Assessment delivery company, is pleased to announce that Solutions Architect, Andy McAnulla, has achieved Practitioner Level PRINCE2 status. This brings the total number of BTL employees gaining PRINCE2 status so far to 15.

PRINCE2 is an internationally recognised qualification for effective method-based project management that is widely used and accepted in both the public and private sectors. BTL uses PRINCE2 principles in all of its projects, ensuring that all projects run smoothly and effectively as well as making optimum use of resources.

Keith Myers, Managing Director BTL states "we are committed to ensuring that professional management standards are gained, not only in the project management area, but across all areas of the business and believe that PRINCE2 will help us achieve this. PRINCE2 has helped us to help our customers achieve their goals".

About BTL

BTL is a leading UK owned e-Assessment development and delivery company. With over 1 million certified exams powered by BTL, our content development and delivery tools are helping some of the UK's largest agencies face the challenge of onscreen delivery.

Since 1985 we have been successfully helping our customers exceed their Assessment and Learning expectations, and continue to develop some of the most innovative onscreen content, engaging learners anywhere.
