

FOR IMMEDIATE RELEASE:

## Multiple e-Assessment Delivery Options - You Choose, Surpass Delivers

**Shipley, United Kingdom, May 2010**

BTL Group Ltd is proud to announce that, in the latest release of its Surpass e-Assessment solution, they have added additional exam delivery options. The variety of e-Assessment delivery options now on offer will be of significant benefit to Awarding and Professional certification authorities who need to support a variety of centre requirements.

The delivery options include:

- Web Browser
- Secure Online
- Secure Offline
- Secure Roaming (used by mobile assessors)
- Paper
- SCORM Package (1.2 and 2004)
- IMS QTI 2.0 Package

The Surpass e-Assessment delivery options can be used as standalone or in conjunction with each other.

Andy McAnulla, Technical Solutions Manager at BTL, explains "The range of delivery options now available using Surpass means that we can cater for every different scenario presented by schools, colleges, dedicated exam centres and the workplace. "

Surpass is used by a number of leading awarding and professional bodies to develop and deliver their e-Assessment programmes. Surpass is robust, secure and can be scaled to deliver large scale e Assessment programmes.

Any organisation wishing to discuss their e-Assessment requirements should contact BTL at [info@btl.com](mailto:info@btl.com).
