BTL Sponsors e-Assessment Question 2009

Shipley, United Kingdom, March 2009

BTL Group Ltd is once again delighted to sponsor and exhibit at the 7th e-Assessment Question Conference, being held at the Novotel St Pancras, London, on 18 and 19 March 2009.

The e-Assessment Question is a must-attend event for e-Assessment professionals, academics and organisations that already run or are looking to develop an e-Assessment programme for the first time. The themes for this year's conference are 'The Human Aspect of e-Assessment' and 'Accessibility and Inclusion'.

The BTL team will be on hand to demonstrate BTL's Surpass Suite of e-Assessment development and delivery tools, which are being used by some of the largest Awarding Bodies in the UK to develop and deploy a full range of e-Assessment programmes, from powerful diagnostic tools through to high-stake national examinations.

Che Osborne, BTL Commercial Director, says "The e-Assessment Question Conference is one of the most important events in the calendar for BTL. The event provides an ideal platform to share experience and best practice in e-Assessment and initiate future policy and planning. We are delighted to be once again sponsoring and exhibiting at this event."
